TUITION

FULL-TIME BLOCK TUITION	FALL SEMESTER TUITION	WINTER SEMESTER TUITION	TUITION FOR THE FULL ACADEMIC YEAR
Michigan residents taking 12-18 credits	\$6,840 <i>Due at the start of the fall semester</i>	\$6,840 <i>Due at the start of the winter semester</i>	\$13,680 <i>Your total tuition for both fall and winter semesters</i>
Out-of-state and international admitted students with the Red & White Scholarship taking 12-18 credits			

Red & White Scholarship: Students who live outside of Michigan have a standard tuition rate of \$24,000. The good news is that once you apply to SVSU and are admitted, SVSU automatically applies the Red & White Scholarship to your bill, reducing your overall tuition to \$13,680.

Block Tuition: With block tuition, you pay one flat rate when taking 12-18 credits per semester. This credit range is equivalent to about 4-6 classes per semester. That means you pay the same tuition whether you take 12 or 18 credits each semester (24-36 credits per year). This model allows you to take more classes at no extra cost. That means you can graduate in four years (or less!) — save on tuition and living expenses — and start your career sooner.

No Extra Fees: There are no fees for freshman and sophomore students. Professional fees apply only to select junior and senior students.

OTHER COSTS FOR THE FULL ACADEMIC YEAR	
Estimated expenses for books and supplies	\$1,160
Optional on-campus housing and meal plan	\$12,500
Estimated travel/personal/miscellaneous expenses	\$1,260
Optional meal plan (for commuter students)	\$500 - \$4,950

Your Total Cost of Attendance: Colleges use a “cost of attendance” to help you determine the maximum amount of financial aid you can receive. This total cost includes direct costs you pay to SVSU — such as tuition, housing and a meal plan — plus estimated indirect costs such as books, transportation and personal expenses, which can vary from family to family. At SVSU, the total cost of attendance with these direct and indirect costs is an estimated \$27,180.

LOANS

At SVSU, student loans are not required. In fact, 98% of our students receive scholarships and grants, and 66% have their full tuition covered without borrowing any money. If you do need a little extra help, we're here to guide you on your options. Our team offers one-on-one support to help you understand your loan options and determine what works best for your situation. Schedule an appointment at svsu.edu/financialaid

TWO TYPES OF FEDERAL STUDENT LOANS:

- **SUBSIDIZED LOAN:** No interest while the student is enrolled at least part-time.
- **UNSUBSIDIZED LOAN:** Interest begins to accrue at the point of disbursement.

INTEREST RATE: Undergraduate Direct Unsubsidized Loans currently have a fixed interest rate of 6.39% (7/1/2025 - 6/30/2026). Students receive quarterly interest statements from Direct Loans. They do not have to pay this balance but are encouraged to do so. If the interest is not paid, it is capitalized with the principal upon repayment — meaning students will pay interest on the interest.

GRACE PERIOD: Students have one 6-month grace period for both unsubsidized loans and subsidized loans when they graduate. If they leave school and return, they can have their unsubsidized loans deferred again. However, a student is only given one grace period for deferral. Contact Direct Loans or go to studentaid.gov for more details.

ELIGIBILITY: Students must complete a FAFSA and be enrolled at least part-time to be eligible for a Federal Direct Loan. SVSU defines "half-time" as 6 credits for undergraduate students and 5 credits for graduate students. Parents are also eligible to apply for a Federal Direct PLUS loan to help cover their student's costs.

LOAN LIMITS

Federal Direct Loans are regulated by yearly and aggregate (total) loan limits. These are as follows:

Class Standing	Dependent Students		Independent Students	
	YEARLY	AGGREGATE	YEARLY	AGGREGATE
FRESHMAN	\$5,500 (up to \$3,500 can be subsidized if eligible)	\$31,000 (\$23,000 can be subsidized)	\$9,500 (up to \$3,500 can be subsidized, if eligible)	\$57,500 (\$23,000 can be subsidized)
SOPHOMORE	\$6,500 (up to \$4,500 can be subsidized, if eligible)		\$10,500 (up to \$4,500 can be subsidized, if eligible)

Parents are also eligible to apply for a Federal Direct PLUS loan to help cover their student's costs.
