Services

WELCOME TO THE SVSU FAMILY!

Here at SVSU, we're all about putting knowledge into action. Our extensive experiential learning opportunities beyond the classroom empower you. Did you know that over 85% of SVSU students engage in hands-on experiences each year? This will enhance your résumé and strengthen your future job prospects.

If you are undeclared on your major, we want to reassure you that this is normal! Many of our incoming freshman students are undeclared about their career paths. SVSU supports you as you explore your academic journey, and we have incredible resources to help you figure out your future career over the next four years.

Collaborate with our certified career coaches who utilize **Strong Interest Inventory®** assessment results to identify industries where you'll thrive. Learn more at svsu.edu/findmypath. Also, develop sought-after soft skills by exploring on-campus employment opportunities that align with your aspirations.

Additionally, we encourage you to engage in at least one of our 100+ student organizations. This is an excellent way to connect with peers who share your passions. Networking within our community fosters growth and memorable experiences.

Congratulations, once again, on your acceptance to SVSU! Our Office of Career Services student organizations and faculty are here to guide and support you on this transformative journey. Have questions? Feel free to connect with us at (989) 964-4954 or careers@svsu.edu.

Get ready to carve your path and embrace the adventure at SVSU!

Research within any major, any year

At SVSU, students in any academic program may participate in the Undergraduate Research Program starting their freshman year. Enhance your learning and further your education by exploring opportunities to engage in grant-funded undergraduate research. Lead your own project or work alongside supportive faculty. Your research can go far — get published in academic journals or present at international conferences. You can do this!

START YOUR PATH AT SVSU TO BECOME A MEDICAL PROFESSIONAL

A PATHWAY TO MEDICAL SCHOOL WITH EARLY ASSURANCE

SVSU has Early Assurance Program partnerships with medical schools at Central Michigan University, Michigan State University and Wayne State University. These partnerships allow SVSU students to apply to medical schools the summer before their senior year. **Through this program, these medical schools reserve seats for SVSU students each year!**

College of Human Medicine
MICHIGAN STATE UNIVERSITY

School of Medicine

SVSU's Department of Biology is preserving the legacy of the late Dr. Stephen Taber, whose decades-long passion for entomological research and expedition helped build an extensive insect collection at SVSU. The Steve Taber Insect Collection for Knowledge and Science (STICKS) will make Taber's discoveries available to scientists around the world, and the hands-on digitization project helps students build research skills they will use professionally.
