

2023 EDUCATOR EFFECTIVENESS RATINGS

SCHOOL ADMINISTRATOR

SVSU - College of Education

Certification data (MOECS) includes all educators issued an Initial Michigan School Administrator certificate between academic school years 2018-2019 and 2022-2023, inclusive. An academic school year is from July 1, 20xx through June 30, 20xx of the following year. Additionally, these educators were recommended for their Initial School Administrator certificate by an approved Michigan Educator Preparation Program (EPP) or Educator Association. For this analysis: The academic school year = 2022-2023 and the name of the REP collection during which the data in a given record was reported = EOY 2023.
